MUHAMMAD ATIF

MULTI-SKILLED DIGITAL PROFESSIONAL — E-COMMERCE · SEO · BLOGGING · WEB · AI

Alipur, Muzaffargarh, Punjab, Pakistan · Open to Remote Work · Email: malikatif0125@gmail.com · Portfolio: muhammadatifofficial.github.io · Store: mastrendz.shop

PROFESSIONAL SUMMARY

A self-motivated, multi-skilled digital professional who works across many fields and holds working knowledge of all of them: e-commerce, SEO, blogging, digital marketing, basic web development, Canva design and crypto trading. Not limited to one specialty — a fast learner who adapts to any digital task and uses modern AI tools to get real work done, including designing and building a complete e-commerce website with AI help. Practical experience of order management, online sales and customer communication in Urdu and English.

CURRENT FOCUS

- **Running my own e-commerce store** — MAS Trendz (mastrendz.shop): products, pricing, orders, payments and support, end to end.
- **Crypto trading** — technical analysis, market structure and disciplined risk management.

EXPERIENCE

Founder & Store Manager — MAS Trendz (Online Store)

2026 — Present

- Running my own live e-commerce store selling digital and physical products.
- Designed and built the store's complete custom website myself, with the help of AI tools — pages, features and design.
- Managing product listings, pricing, orders, payment verification and customer support on WhatsApp and email.

E-commerce & Digital Marketing

2023 — 2025

- Managed e-commerce stores; created and optimized product listings (titles, descriptions, images) for visibility and sales.
- Supported digital marketing campaigns; applied SEO and content optimization across store pages.

Blogging & SEO

2022 — 2024

- Created and managed blogs focused on organic search traffic; keyword research and on-page optimization.
- Improved content quality and site structure for better search performance.

Cryptocurrency Trading (Self-Directed)

2025 — Present

- Actively trading crypto with a focus on technical analysis, market trends and risk management.
